PARTICIPANT TESTIMONIALS

"I have been to Israel many times, but never had my life changed in the way it was by ZOA's mission to Israel."

"Thank you for organizing such an impressive and important mission. The expressions on the faces of the soldiers will never be forgotten. They are all heroes who get up and go to work every day with determination and love for Israel. May it always be so."

"Standing at the burial site of former Prime Minister Menachem Begin and his wife and looking over the countless white burial monuments of our Jewish people, I realize even more strongly how connected we Jews are to one another, to Torah and to the land of Israel."

"Thank you for organizing a wonderful ZOA mission. How many people can say that everyday they met heroes? One hero after another."
