

OUR PLATFORM

PROMOTE SAFETY FOR JEWS AROUND THE WORLD

We initiated and obtained the passage of the World Zionist Congress ("WZC") resolution to prioritize funding for endangered Jews.

COMBAT ANTISEMITISM AND STAND AGAINST BDS

Following our efforts, the WZC passed an anti-BDS policy and "Buy Israeli" program. We're protecting students' legal rights to safe campuses. ZOA Coalition is the only American slated that voted for decalaring that anti-Zionism is a manifestation of anti-Semitism.

PROMOTE LOVE AND RESPECT FOR JEWISH TRADITION

Since its inception, the ZOA Coalition has been promoting love and respect for Jewish tradition, Torah values, and love for all our people.

STRENGTHEN JEWISH AND ZIONIST EDUCATION

ZOA constantly fights for the promotion of positive education in Israel and the Diaspora, defending our rights, and showing the beauty of Israeli society.

DEFEND, STRENGTHEN AND STAND WITH ISRAEL

One of the main pillars of the ZOA Coalition is to defend, strengthen and assert the Jewish people's right to the Land of Israel.

SUPPORT JEWISH PEOPLE'S RIGHTS TO SETTLE IN JUDEA AND SAMARIA

ZOA Coalition repeatedly called on the Israeli government to exercise sovereignty over the Jordan Valley, and calling for the use of the proper names "Judea" and "Samaria." These are historic Jewish areas designated for the Jewish homeland under international law.

UNITED JERUSALEM UNDER ISRAELI SOVEREIGNTY

ZOA Coalition led the 23-year battle to move the US Embassy to Jerusalem. We now lead the battle to assert the Jewish people's rights to our land!

SAY NO TO AN IRANIAN-PROXY PALESTINIAN-ARAB TERROR STATE

With Iran seeking Israel's destruction, the ZOA Coalition will never stop opposing the establishment of an Iranian-proxy Palestinian Arab terror state!
