

The National Board of Directors of the Zionist Organization of America
acknowledges with profound gratitude the beneficent generosity of
BERNIE MARCUS

which has helped immeasurably in furthering ZOA's vital agenda to preserve the security of Israel and the rights of Jews everywhere. ZOA's activist role is recognized and respected in Washington, the American Jewish community, and Israel. In response to the virulent rise in antisemitism, ZOA's voice is heard in the halls of academe and on college campuses in a relentless attempt to thwart the dangerous threats and hostility against Jewish students. Bernie continues to make a difference and serves as an inspiration to many. By his example, he has challenged us to intensify our efforts for this sacred cause, to which we have devoted our lives.

Thank you Bernie for all that you do for the ZOA, Israel, and Jews everywhere.

Continued success in all your endeavors.

MORTON A. KLEIN, NATIONAL PRESIDENT
MARK S. LEVENSON, NATIONAL BOARD CHAIR

The National Board of Directors of the Zionist Organization of America
acknowledges with profound appreciation the magnanimous generosity of our fellow board member

MYRON ("MZ") ZIMMERMAN

He is totally dedicated to building our youth programs
and sponsors ZOA's student missions to Israel in the spirit of Dor L' Dor.

As president of his eponymous foundation,
he is committed to the security of Israel and the Jewish people,
and to combatting antisemitism in the United States, and globally.

We applaud "MZ" for his far-reaching efforts -
all for the continuity of the Jewish state and our people, and wish him every success.

MORTON A. KLEIN, NATIONAL PRESIDENT
MARK S. LEVENSON, NATIONAL BOARD CHAIR

PLATINUM

The National Board of Directors of the Zionist Organization of America

Extends its profound respect and admiration to

DR. MIRIAM & SHELDON ADELSON

in acknowledgment of their munificent support of the Jewish State of Israel,
the ZOA, and the Jewish people everywhere.

Their unwavering commitment to our noble cause serves as an inspiration to many,
who are committed to promoting the goals and aspirations of our people.

Here are just a few of their other significant endeavors to help promote and ensure Jewish continuity –
their beloved  **Birthright** program brings kids to Israel and offers the experience of a lifetime of living in Israel;
their superior efforts to re-identify Israeli-Americans through  **IAC**, renews their connection to live in Israel,
thus rekindling an enduring love for the people and Land of Israel.

Their love for the Jewish people knows no bounds, Yasher Koach!

With our deepest gratitude,

MORTON A. KLEIN, NATIONAL PRESIDENT

The Farashgard Foundation is pleased to support
ZOA'S 2020 VIRTUAL SUPERSTAR GALA.

The Farashgard Foundation's mission is to support and promote the Iranian people's fundamental rights to liberty and pursuit of democracy.

Sadly, this year was filled with more unjust killings by the Iranian regime. In addition, Iran's Jewish community was targeted in May 2020 when the Tomb of Esther and Mordechai was the target of an arson attack.

In his memory, we remember the Iranian Olympic Wrestler who was executed by the Iranian regime for using his voice to protest the regime.

Kudos to the
ZIONIST ORGANIZATION OF AMERICA
for its exemplary work in the American Jewish community.

I had the honor of participating in the 2019 ZOA Mission to Israel. I found ZOA to be a unique Jewish organization, in that it forges a relationship and builds bridges between all branches of Judaism, even secular Jews can find common ground, embracing the concept of Zionism.

It is all-inclusive, encompassing spiritual values with Torah learning, as well as present - day realities. For me, the unifying link is the undying commitment to the right to the land and security of Israel and the Jewish people everywhere. Every Jew yearning for Israel can find a home in the ZOA.
