Martin & Sheri Friedman

We have been active members of ZOA since 1993.

We feel that in this dangerous time for Klal Yisroel and Israel, it is more important than ever to support ZOA.

Antisemitism alone is reason enough for all of us American Jews to wake up and fight the hostility.

ZOA is not only the oldest pro-Israel organization in America - it is generally recognized as the organization that fights for Israel and the Jewish people most consistently and aggressively.
