ZIONIST ORGANIZATION OF AMERICA
VIRTUAL GALA JOURNAL

2021

To our dedicated and tireless National Board of Directors,

Thank you for your commitments to the U.S.-Israel relationship, to Jewish people across the globe,
and of course, to the Zionist Organization of America.

Your steadfast support of Israel and your desire to work towards protecting and enhancing
our Jewish homeland and fighting antisemitism knows no bounds.

And for that, we are eternally grateful.

We look forward to another successful term and may we only go from strength to strength.

In gratitude,

Morton A. Klein
ZOA National President

David I. Schoen
ZOA National Board Chair

The National Board of Directors of the Zionist Organization of America

extends its profound respect and admiration and deep appreciation to

DR. MIRIAM ADELSON and the late, magnificent Sheldon G. Adelson

in acknowledgment of their munificent support of the Jewish State of Israel, the ZOA, the Jewish people and critically important medical research, as well as their founding of the Dr. Miri and Sheldon G. Adelson Medical School in Ariel, Israel.

Their unwavering commitment to our noble cause serves as an inspiration to all who are committed to promoting the goals and aspirations of our people.

Here are just a few of their other significant endeavors to help promote and ensure Jewish continuity - their beloved **Birthright** program brings young adults to Israel and offers the experience of a lifetime of learning about and experiencing Israel first-hand, and their superior efforts to re-identify Israeli-Americans through **IAC**, renews their connection to live in Israel, thus rekindling an enduring love for the people and Land of Israel.

We, at ZOA, try every day to live up to their lofty standards of excellence, commitment, and effective advocacy.

Their love for the Jewish people knows no bounds, Yasher Koach!

With our deepest gratitude,

MORTON A. KLEIN, ZOA NATIONAL PRESIDENT

DAVID I. SCHOEN, ZOA NATIONAL BOARD CHAIR

Thanks for ZOA's unwavering, courageous support of Israel and of Jews.

Best wishes for its continued efforts and great successes.

The National Board of Directors of the Zionist Organization of America

acknowledges with profound gratitude the beneficent generosity of

BERNIE MARCUS

which has helped immeasurably in furthering ZOA's vital agenda to preserve the security of Israel and the rights of Jews and Jewish students everywhere.

Mr. Marcus inspires and promotes ZOA's activist role to be strengthened and recognized and respected in Washington, D.C.,
the American Jewish community, and Israel.

In response to the virulent rise in antisemitism, ZOA's voice is heard in the halls of academe and on college campuses
in a relentless attempt to thwart the dangerous threats and hostility against Jewish students.

Bernie continues to make an extraordinary difference and serves as an example to us all.

Thank you, Bernie, for all that you do for the ZOA, Israel, and Jews everywhere.

Continued success in all your endeavors.

You are a talented and powerful warrior to make the world a better place for Jews and for all Americans and for all people.

Thank you.

MORTON A. KLEIN, ZOA NATIONAL PRESIDENT

DAVID I. SCHOEN, ZOA NATIONAL BOARD CHAIR

The National Board of Directors of the Zionist Organization of America
acknowledges with profound appreciation the magnanimous generosity of our fellow Board member

MYRON ("MZ") ZIMMERMAN

He is totally dedicated to building our youth programs and sponsoring ZOA Campus
Student Missions to Israel in the spirit of Dor L' Dor.

As president of his fabulous foundation, he is committed to the security of Israel and the Jewish people,
and to combatting antisemitism in the United States, and globally.

Myron is also committed to exposing the truth of the Arab war against the Jewish State.

We applaud "MZ" for his far-reaching efforts - all for the continuity of the Jewish state and our people,
and wish him every success.

MORTON A. KLEIN, ZOA NATIONAL PRESIDENT

DAVID I. SCHOEN, ZOA NATIONAL BOARD CHAIR

Congratulations to the distinguished Honorees,
Prime Minister Naftali Bennett and Former Secretary of State Mike Pompeo.

We commend the
ZIONIST ORGANIZATION OF AMERICA
for its vigilant and extraordinary advocacy on behalf of Israel and the Jewish people.

ZOA maintains its rightful position that the Land of Israel is sacred, and that Jews have the
G-d given right to live everywhere in Eretz Israel.

'And you shall take possession of the land and settle it.' numbers 33:53

Our hearts and souls are inextricably linked to the Land of Israel.

Continued success to the ZOA and best wishes to **President Morton Klein**
for all he does for Israel and Jews everywhere.

Thank you,

DR. BOB,

for your round the clock vigilance and for your extraordinary support to help further the historical and invaluable bonds of friendship between the U.S. and Israel.

It is also a distinct honor for us to applaud your unfailing and relentless resolve to help eradicate the scourge of antisemitism on college campuses, on our shores, and throughout the world.

You are a beacon of light and inspiration to our people.
But most of all, you are a warrior for your people and for America.

Yasher Koach to you.

We applaud

MORTON KLEIN

for his passion and determination
to speak out and address areas of critical concern,
impacting Israel and the Jewish people.

Thank you,

ZOA,

for your great work and all that you do for Eretz Israel and Klal Yisrael.

MICHAEL LEVEN

It is with great pride that we salute the Zionist Organization of America.
No other organization so clearly recognizes and advocates for the rights of the
Jewish State of Israel and the need to protect Jews everywhere!

The great King Solomon would be proud of the standards applied by ZOA,
the only organization that recognizes that key fundamental principles and positions can never be compromised!

We have pledged our support to help ZOA spread our shared Zionist message
and fight the evil forces that are no less dangerous to Jews,
and by extension to Israel, today than they were in Germany in the 1930s.

We urge our fellow Jews and all good people everywhere to wake up and help us protect Israel and the Jewish people!

Congratulations to

Mort Klein

and the ZOA

for consistently opposing all forms of antisemitism
from both the Right and even from the politically-correct Left,
which the politically-correct Liberal Jewish establishment neglects to do!

In honor of the Maccabees of Chanukah fame,
who actively converted the Edomites and others to Judaism
and increased the Jewish population 10-fold
so that we were over 3% of the world population at the time
(if we were 3% today there would be 225 million Jews in the world, not a measly 15 million),
let us now actively convert the over 400,000 Russian Jews of the 1.5 million Soviet Union Jews
who have settled in Israel since the 1970's and serve in the Israeli army,
and the thousands of Abayudaya Jews from Uganda who want to settle in Israel.

We salute the invaluable, indestructible and iconic Zionist:

Mort Klein.

Separated by two generations from Ze'ev Jabotinsky - yet a shared vision.

Brian Grodman

The current Israeli government is there with the support of an anti-Israel Arab party Ra'am, which has ties to the radical Muslim Brotherhood. Ra'am even refused to condemn terrorism against Israeli Jews.

Without Ra'am's support, this government would collapse. No Israeli government should ever have allowed this anti-Israel party to be part of it. Benjamin Netanyahu and Naftali Bennett should never have negotiated with an anti-Israel party like Ra'am, which is stopping Israel from promoting many policies which would be beneficial to the Jewish State. Israel should enact strong treason laws which would prevent this happening in the future.

WHO REALLY OWNS ISRAEL

All of Israel belongs to the Jewish people,
And every Jew has ownership of every inch of the land.
For there is to be a true peace in the land, the conduct must follow
the wish of the "owner", the Al-mighty,
in His Torah, and not to hearken to whom it is said,
"those who will be your undoing and your destroyers,
will be from among you."

One of the directives of Torah is "give them no
consideration," - not to give away even one
inch of the land to the non-Jew.

Furthermore, there is a clear ruling (in the Code of Jewish Law, ch. 329),
that when non-Jews are trying to surround a Jewish settlement, they (the Jews) must take up arms, and not allow them
to fulfill their desires, for it's a matter of life and death.

Congratulations to the Honorees of the ZOA Virtual Gala.

ZOA is the leading major American Jewish organization,
courageously and brilliantly defending Israel and the Jewish people,
fighting against all forms of antisemitism,
and explaining and promoting the Jewish people's lawful right
to have a recognized state in western Palestine
(the kingdom of Jordan is a Palestinian-Arab state in all of eastern Palestine,
77% of the territory of what was the mandate for Palestine of the League of Nations).

Hashem saved the ZOA.
Just before it went bankrupt,
Morton A. Klein was elected President,
and Mort saved the organization,
and has led its brilliant accomplishments on behalf of Zionism.

May he continue his great work,
aided by others devoted to Zionism and the Jewish people.
