To our dedicated and tireless National Board of Directors,

Thank you for your commitments to the U.S.-Israel relationship, to Jewish people across the globe, and of course, to the Zionist Organization of America.

Your steadfast support of Israel and your desire to work towards protecting and enhancing our Jewish homeland and fighting antisemitism knows no bounds.

And for that, we are eternally grateful.

We look forward to another successful term and may we only go from strength to strength.

In gratitude,

In these troubling times of uncertainty, one thing remains a constant,  
the Zionist Organization of America's unwavering commitment to the  
Jewish State of Israel and the Jewish people.

Israel is a Light unto the Nations and ZOA can be a Light unto Jewish Organizations.

I invite all Jewish organizations to look inward to their original missions  
and stand with ZOA in fighting for Israel and the Jewish people.

Unify with ZOA and we will make the world a better place for Jews  
and we will go from Strength to Strength.

Am Yisrael Chai!
