### ZOA CAMPAIGN: KEEP JERUSALEM UNITED!

#### SAY NO TO A DIVISIVE U.S. CONSULATE IN JERUSALEM FOR PALESTINIAN ARABS

ZOA's campaign against the current U.S. administration's plan to open a divisive consulate includes huge billboards in Israel, op-eds, educating Congress and more.

##### **Terrible Consequences:**

Opening a consulate for Palestinian Arabs in Jerusalem would:

- Attack Israeli sovereignty over the Jewish people's eternal capital Jerusalem
- Attack the unity of Jerusalem
- Reward the Palestinian Authority dictatorship (which pays terrorists \$400 million per year to murder Jews)
- Waste US taxpayer dollars – it's unnecessary. There's a US Embassy in Jerusalem now!
- Insult and discriminate against our ally Israel. The US has no consulates for particular populations in any sovereign country.

##### **The Consulate is Illegal:**

- The Vienna Convention on Consular Affairs requires consent of the host country. Israel doesn't want the consulate.
- The consulate violates the Jerusalem Embassy Act of 1995 – which reaffirms that Jerusalem is Israel's capital and Judaism's spiritual center, and must remain undivided.
- A consulate helps the Palestinian Authority violate the Oslo Accords, which prohibit the PA from carrying on foreign relations.

Join ZOA in saying that Jerusalem must Never be Divided – Say No to a divisive consulate!
