# LIFETIME ZIONIST VISIONARY

The National Board of Directors of the Zionist Organization of America  
extends its profound respect and admiration and deep appreciation to  
**DR. MIRIAM ADELSON** and the late, magnificent **SHELDON G. ADELSON**,  
in acknowledgment of their munificent support of the Jewish State of Israel, the ZOA,  
the Jewish people and critically important medical research,  
as well as their founding of the Dr. Miri & Sheldon G. Adelson Medical School in Ariel, Israel.

Their unwavering commitment to our noble cause serves as an inspiration  
to all who are committed to promoting the goals and aspirations of our people.

Here are just a few of their other significant endeavors to help promote and ensure Jewish continuity –  
their beloved Birthright program brings young adults to Israel  
and offers the experience of a lifetime of learning about and experiencing Israel first-hand,  
and their superior efforts to re-identify Israeli-Americans through IAC,  
renews their connection to live in Israel, thus rekindling an enduring love for the people and Land of Israel.

We, at the ZOA, try every day to live up to their lofty standards of excellence, commitment, and effective  
advocacy. Their love for the Jewish people knows no bounds, Yasher Koach!

With our deepest gratitude,

**MORTON A. KLEIN**

## THANK YOU TO MYRON ZIMMERMAN

Our sincere gratitude to  
**Myron Zimmerman**  
for his tremendous generosity to the ZOA,  
and for his unflagging commitment to protecting the rights and interests of the Jewish people.

With Myron's generous support, the ZOA sponsors

Students travel throughout the Jewish state, meeting with Knesset members,  
security officials, journalists, policy experts and community leaders.

Thanks to Myron, students return to their campuses with the knowledge,  
tools and confidence to be informed and effective advocates for Israel.

Myron's generous support has also helped the ZOA fight antisemitism  
on our college campuses and wherever this ugly bigotry exists.

Thanks to Myron, students can attend this extraordinary Gala  
and hear and learn from outstanding advocates for the Jewish state.

Myron, we deeply appreciate all your support for the ZOA's work.

May Hashem give you the strength to continue to fight for the safety and security of the

Congratulations and Mazal Tov to our distinguished Honorees.

A special thank you and deep gratitude to

recognize Israel's sovereignty over the Golan Heights,  
withdraw from the deeply flawed Iran Nuclear deal....and so many more.

The list demonstrating your commitment to a strong and secure future for Israel and the Jewish people is long.  
Your vision for Middle East peace that resulted in the Abraham Accords was — and continues to be —  
a remarkable part of your legacy! One for which you still deserve a Nobel Peace Prize!

...And to my dear friend and our family's Zionist hero,

**Morton Klein,**

deepest thanks for your decades of dedication and passionate leadership of ZOA

The Jewish People never forget a friend! Thank you President Trump for all you have done for Israel and the Jewish People:

- 2) The Abraham Accords!
- 3) Protecting Jewish students under title VII!
- 4) Recognizing Israeli sovereignty over the Golan Heights!
- 5) Withdrawing from the JCPOA!
- 6) Allowing Americans born in Jerusalem to list 'Israel' on their passports!
- 7) Being the first US President to pray at the Kotel!
- 8) Cutting off US funding to the Palestinian Authority as long as they 'pay to slay'!
- 9) Recognizing Jewish communities in Judea and Samaria as legal!

## WHO REALLY OWNS ISRAEL

All of Israel belongs to the Jewish people,  
And every Jew has ownership of every inch of the land.

For there is to be a true peace in the land, the conduct must follow  
the wish of the "owner", the Al-mighty,  
in His Torah, and not to hearken to whom it is said,  
"those who will be your undoing and your destroyers,  
will be from among you."

One of the directives of Torah is "give them no  
consideration,' – not to give away even one  
inch of the land to the non-Jew.

Furthermore, there is a clear ruling (in the Code of Jewish Law, ch. 329),  
that when non-Jews are trying to surround a Jewish settlement,  
they (the Jews) must take up arms, and not allow them  
to fulfill their desires, for it's a matter of life and death.

## **Theodor Herzl<sup>Z"l</sup>**

1860-1904

**Bold • Determined • Prescient**  
**Changed the Jewish World**

"No Jew is at liberty to surrender the right of the Jewish Nation and the Land of Israel to exist. No Jewish body is sanctioned to do so. No Jew alive today has the authority to yield any piece of land whatsoever. This right is preserved by the Jewish People throughout the generations and cannot be forfeited under any circumstance. Even if at some given time there will be those who declare that they are relinquishing this right, they have neither the power nor the jurisdiction to negate it for future generations to come. The Jewish Nation is neither obligated by nor responsible for any waiver such as this. Our right to this land, in its entirety, is steadfast, inalienable and eternal. And until the coming of the Great Redemption, we shall never yield this historic right."
