LIFETIME ZIONIST VISIONARY

The National Board of Directors of the Zionist Organization of America extends its profound respect and admiration, and deep appreciation to

DR. MIRIAM ADELSON

and the late, magnificent

SHELDON G. ADELSON Z"l,

in acknowledgment of their munificent support of the Jewish State of Israel, the ZOA, the Jewish people and critically important medical research, as well as their founding of the Dr. Miri & Sheldon G. Adelson Medical School in Ariel, Israel.

Their unwavering commitment to our noble cause serves as an inspiration to all who are committed to promoting the goals and aspirations of our people.

Here are just a few of their other significant endeavors to help promote and ensure Jewish continuity – their beloved Birthright program brings young adults to Israel and offers the experience of a lifetime of learning about and experiencing Israel first-hand, and their superior efforts to re-identify Israeli-Americans through IAC renews their connection to live in Israel, thus rekindling an enduring love for the people and Land of Israel.

We, at the ZOA, try every day to live up to their lofty standards of excellence, commitment, and effective advocacy.

Their love for the Jewish people knows no bounds, Yasher Koach!
