LIFETIME ZIONIST VISIONARY

THE NATIONAL BOARD OF DIRECTORS OF THE ZIONIST ORGANIZATION OF AMERICA

extends its profound respect and admiration, and deep appreciation to
DR. MIRIAM ADELSON and the magnificent **SHELDON G. ADELSON Z'L**,
in acknowledgement of their munificent support of the Jewish State of Israel, the ZOA,
the Jewish people and critically important medical research, as well as their founding of the
Dr. Miri & Sheldon G. Adelson Medical School in Ariel, Israel.

Their unwavering commitment to our noble cause serves as an inspiration to all who are committed to
promoting the goals and aspirations of our people.

Here are just a few of their other significant endeavors to help promote and ensure Jewish Continuity -
their beloved Birthright program brings young adults to Israel
and offers the experience of a lifetime of learning about and experiencing Israel first-hand,
And their superior efforts to re-identify Israel-American through IAC
renews their connection to live in Israel, thus rekindling an enduring love for the people and Land of Israel.

We, at the ZOA, try every day to live up to their lofty standards of excellence, commitment, and effective advocacy.
Their love for the Jewish people knows no bounds, Yasher Koach!

With our deepest gratitude,

Morton A. Klein
